

3-Indoleacetic acid, suitable for plant cell culture, crystalline

3-Indoleacetic acid, suitable for plant cell culture, crystalline

Identificativi Prodotto

Reference: I2886-100G

Descrizione

Dati Tecnici

CAS Number: 87-51-4

Molecular Formula: CH₉NO₂

Purity Grade: suitable for plant cell culture, crystalline

Molecular Weight: 175.18

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X100G

Storage Temperature: -20C
