

Sudan III, certified by the Biological Stain Commission, BioXtra

Sudan III, certified by the Biological Stain Commission, BioXtra

Identificativi Prodotto

Reference: S4136-25G

Descrizione

Dati Tecnici

CAS Number: 85-86-9

Molecular Formula: C₂₂H₁₆N₄O

Purity Grade: certified by the Biological Stain Commission, BioXtra

Molecular Weight: 352.39

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X25G

Storage Temperature: room temp
