

Ethylene oxide solution, certified reference material, 50 mg/mL in methanol

Ethylene oxide solution, certified reference material, 50 mg/mL in methanol

Identificativi Prodotto

Reference: 48838

Descrizione

Dati Tecnici

CAS Number: 75-21-8

Molecular Formula: C₂H₄O

Purity Grade: certified reference material, 50 mg/mL in methanol

Molecular Weight: 44.05

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X1EA

Storage Temperature: 2-8C
