

L-Lysine monohydrate

L-Lysine monohydrate

Identificativi Prodotto

Reference: L9037-25G

Descrizione

Dati Tecnici

Molecular Formula: $C_6H_{14}N_2O_2 \cdot H_2O$

Purity Grade: BioReagent, suitable for cell culture, from non-animal source

Molecular Weight: 164.20

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X25G

Storage Temperature: Room Temperature
